The vessel remains at the port of Hydra for 1 hour and 55 minutes, giving enough time to the passengers to discover some of the most wonderful parts of the island, the beautiful forts and the impressive mansions, enjoying a walk along the picturesque alleys, or even enjoy a donkey ride (optional) to explore the island.

Next stop, the port of Poros. A leafy island, with an insuperable natural beauty and thousands of pine trees, expanding from the steep beaches to the sandy beaches, making Poros the island of romance and calmness. We stay at Poros for 50 minutes. Walk across the town and discover the city hall, the archeological museum, the public library, the cultural center and the white little houses on the island, and head towards the highest point of the island, to discover the historical and famous clock tower of Poros.
